

## Continuous Improvement Projects

As a company dedicated to the concept of continuous improvement, ATS is always looking for new ways to improve its products and services. And we will work with you to provide guidance and hands-on support to help you improve your operation in the same way. Whether you need short term help solving a problem on a capacity constrained value stream or a completely reengineered manufacturing approach, ATS will work with you to achieve your goals. Using the tools of Lean and 6 Sigma we will help make your factory run better.

### SERVICES:

- Needs assessment and analysis
- Strategy map development
- Implementation of 6 Sigma methodology
- Lean process
- Financial alignment of manufacturing goals
