

Disaster Recovery Services

When disasters strike, ATS can help you regain control fast. ATS has helped many manufacturers recover from tornados to floods. Our disaster recovery team is standing by to meet your needs. Whether you need assistance assessing damage to your critical manufacturing assets or rigging and transporting replacement machines in, we will work with you. And since ATS is located at over 160 customer sites nationally, we can dispatch a team to your location quickly.

SERVICES:

- Thorough damage assessment
- Rigging and transportation services
- Short-term or long-term production and maintenance support
- Cleaning and anti-contamination service
